Cashless Payment Method at the Camp Store

Dear Parents (rising 2nd grade-8th grade only),

We are pleased to utilize a cashless camp store that is open twice per day for our Explorer/Adventure and CIT campers to purchase a snack. We use a camper wallet debit system that allows parents to deposit funds into and monitor their child's account.

Cash will not be accepted in the store.

Most items are priced from .75 to \$1.50 and are comparable or lower than snack items from a convenience store. Samples may include Cheeze-Its; Fruit Roll Ups; Rice Krispies, Popcorn; Nutri grain bars; muffins; sports drinks; water; and ice cream in the afternoons.

Campers are always welcome and encouraged to bring snacks from home.

Campers purchasing snack in the store should budget \$4 - \$6 per day.

To add/view funds:

1. Go to <https://tatescamp.campbrainregistration.com/> and log into your child's account.
2. On the bottom right hand side of the Details page you may add money and view wallet balances.
3. Please only add funds to campers in rising 2nd grade and older.

At the end of the summer, any balance surpluses over \$10 will be refunded or you will be given the option to donate the overage to our campership fund. Balances less than \$10 will automatically be donated to the fund, unless you specifically contact us.

Until the games begin,

Chris Strevel
Executive Director
Tate's Day Camp

PS: This is only for rising 2nd graders and older. Ages 3 - rising 1st grade will be provided daily snacks and do NOT go to the store.
